## General Functional Issues

- Description section (Word document) mein content properly paste nahi ho raha.
- Description section ke paas "Download Specification" clearly likha aana chahiye.
- Product description editor fix karna hai — image upload, text font resize, full-screen editor include ho.
- Product checkout par final pricing ke baad "Inclusive of all Taxes" likha rehna chahiye.
- OTP Sent ka message alert uske bagal me hi dikhna chahiye.
- Profile delete karte time back/cancel kaam nahi kar raha.

## Product & Cart Related

- Product cart mein add karne par wrong price show ho raha hai.
- Product quantity update karne mein 5–10 minutes ka delay ho raha hai.
- Quantity box mein manual typing allow nahi hai.
- Cart mein product add karne ke baad instant reflect nahi ho raha (refresh ke baad hi dikhta hai).
- Image bina "Add Files" click kiye hi upload list mein dikhne lagta hai.
- Compare list mein product add karne ke baad "Add to Cart" option disable ho jata hai.
- Multiple variant select karne par final price galat calculate ho raha hai.
- Product buy karte waqt Flat Discount auto-select ho jata hai jab Pack aur % selected hote hain.
- Stock 0 hone par cart mein added product "Out of Stock" dikhna chahiye.
- Duplicate attribute pack (jaise 50mg) dobara add nahi hona chahiye.
- Product specification ke baad "Download Specification" clearly visible hona chahiye.
- Flash deals system work nahi kar raha.
- Product add karte time flash add nahi ho raha aur Home page par bhi show nahi ho raha.

## Cart, Checkout & Coupon

- Coupon code apply karne par discount reflect nahi ho raha (checkout total galat hota hai).

- "Welcome Coupon" ka status Off hone ke baad bhi 1st time user ko show ho raha hai.
- "Remove Coupon" option cart aur checkout page par hona chahiye.
- Checkout par existing shipping address auto-select ya choose karne ka option hona chahiye.

## Order & Payment Flow

- Payment halfway chhodne par naye product ke sath order merge ho jata hai.
- Cash on Delivery off karne ke baad bhi checkout mein COD option show ho raha hai.
- Payment success hone ke baad success page aur SMS nahi ja raha.
- Order ke baad customer shipping address change nahi kar paa raha.
- Customer ka order detail admin panel mein open nahi ho raha.
- Wholeseller/Customer panel se order cancel ka option show nahi ho raha.
- Checkout page par Clear, Preview, Next buttons kaam nahi kar rahe (photo upload section).

## Customer & Seller Experience

- Customer apna ordered product cancel nahi kar paa raha.
- Customer ko refund request ka option nahi mil raha.
- Refund note add karne ke baad homepage par reflect nahi ho raha.
- Classified package mein product upload nahi ho raha.
- Seller payouts system work nahi kar raha.
- Seller verification form ke use ka proper guidance nahi hai.
- Seller panel se POS option ko hide karna hai.
- Seller company name manually type kar sakta hai.
- Seller koi product upload kare to direct website par publish nahi hona chahiye (manual approval system ensure ho).
- Seller panel login ke baad left side menu ko right side me adjust karna hai.
- Wholeseller panel me shipping details sahi tarike se update nahi ho raha.
- Compare product "Add to Cart" wholeseller/customer panel se kaam nahi kar raha.

## Invoicing & Documentation

- Wholesaler invoice mein GST & Drug Licence dikhna chahiye (Admin Panel > Contact Info Widget se editable).
- Admin Panel se PDF Order Invoice download/print nahi ho raha.
- Admin/Wholeseller/Customer panel se invoice download ka option nahi chal raha.

- Wholeseller registration ke time GST/Drug Licence mandatory hone chahiye, aur multi-file JPG/PNG/PDF/Word/Excel upload allow ho.
- Seller registration ke time GST/PAN/Drug Licence mandatory ho + multi-file upload ho.
- Seller/Wholeseller ke uploaded documents admin & self-panel dono me visible ho, download/update ka option ho.

## Ticket & Notification System

- Ticket open/solved system admin panel me kaam nahi kar raha.
- Admin Panel se ticket ka status change nahi ho raha.
- Email & SMS Notifications sabhi activities ke liye honi chahiye — kuch missing notifications fix karne hain.

## Reports & Blog

- Admin dashboard reports (in-house product sales, seller product sales, wishlist) galat data dikha rahe hain.
- Order Invoice status "Paid" hone par Total Sales me add hona chahiye; "Unpaid" hone par deduct hona chahiye.
- Sabhi reports (sales, earnings, wishlist) properly functional hone chahiye.
- Blog system ko website ke homepage par integrate karna hai.

## UI & Design Improvements

- Laptop header par wishlist/compare/cart/user icon ko right se margin/padding dijiye.
- Category page par brand/aur sabhi attributes clearly visible hone chahiye.
